1.32 HARBOR MAINTENANCE FEE

a. Offerors or bidders contemplating use of U.S. ports in the performance of contract are subject to paying a harbor maintenance fee on cargo. Federal law establishes an ad valorem port use fee on commercial cargo imported into or exported from various U.S. ports. The fee is 0.125 percent (0.00125). Cargo to be used in performing work under contracts with the U.S. Government is not exempt from the fee, although certain exemptions do exist. Offerors are responsible for ensuring that the applicable fee and associated costs are taken into consideration in the preparation of their offers. Failure to pay the harbor maintenance fee may result in assessment of penalties by the Customs Service.

b. The statute is at Title 26 U.S. Code section 4461 and 4462. Department of Treasury Customs Service regulations implementing the statute, including a list of ports subject to the fee, are found at 19 CFR 24.24, Harbor Maintenance Fee. Additional information may be obtained from local U.S. Customs Service Offices or by writing to the Director, Budget Division, Office of Finance, Room 6328, U.S. Customs Service, 1301 Constitution Avenue, N.W., Washington, D.C. 20229.

1.33 ACCEPTANCE OF COMPLETED WORK

For the purpose of acceptance, the work to be done is divided into sections as follows:

- a. Sections of levee embankment 500 feet long.
- b. Sections of berm embankment 500 feet long.
- c. All remaining work.

This paragraph supplements the Contract Clause OTHER CONTRACTS.

The adjacent Item 457-R may be under contract during this contract. There is an overlap of right-of-way between Items 461-R and 457-R. The Contractor shall fully cooperate with the other Contractor and with Government employees and carefully fit his work to such adjacent work as may be directed by the Contracting Officer. The Contractor shall not commit or permit any act which will interfere with the performance of work on adjacent item by the other Contractor or by Government employees. Any costs or delays associated with fully complying with the provisions of this paragraph shall not form the basis for a claim against the Government.
